

Grade 6 Supply List

Please have these supplies available for the first day of school. Students are encouraged to bring extra supplies and store them in their lockers in the Ziploc bag. Please label your child's belongings. If you are able, it is recommended to buy a set of headphones with a microphone so your child can use the Google Read and Write speech-to-text program. The school has a limited availability of headsets. Even earbuds with the simple in-line microphone usually work.

- 1 pkg. of water based felts (12)
- 1 small protractor, the entire geometry kit is optional but not necessary.
- 1 pkg. pencil crayons
- 20 HB pencils
