Dear Parents,

Here is some information regarding our Jr. High Track Meets. We have two meets at the Jr. High Level. The first is our divisional meet which takes place on **May 29, 2023** at Ecole Camrose Composite High School. Jr. High track is part of their overall physical education grade and the students are required to attend either as an athlete or helper. Each student was given a permission form that was to be signed by a parent or guardian and this gave them permission to attend the track meet.

There will be two buses that transport students to and from Camrose. These buses will be sent back to make the regular bus route. If we have some athletes in the relays and they are running late, they may need to be picked up, but we should be back in time.

Students will not be permitted to leave the Camrose School grounds unless they are picked up by a parent or guardian who notifies one of our staff on site. Parents can not take students other than their own unless they have been an approved driver by the school.

Students are recommended to bring their own food and drink as they will not be allowed to leave the school grounds.

If students advance from the Divisional Meet will take place in the Regional Track Meet on **Jun 6, 2023** at ECCHS. There will be busing for that as well providing we have enough athletes to warrant taking a bus.

Thanks.

Scott Peterson
