BRSD is hosting a series of “**Rock the Diploma**” workshops at Camrose Composite High School for our students who are taking 30-level courses this semester. Students can choose to attend a workshop for the following courses on the following dates by registering through this [link](#). There is a \$20 charge for each course. These courses are usually \$75 per course, but BRSD is helping with the costs for students, so it’s a great opportunity to get some support just before the exam.

- Biology 30: June 15th and 16th - 9:30-5:30
