

TIGER NEWS

The Abridged Version

September 6th, 2024

Hello parents and guardians!

We were so happy to see students back in our building this week, and we hope that everyone had a great summer!

As the school year begins, activities are starting up quickly, so please make sure you are checking the school website and your emails regularly for updates from the school.

For any high school students who have not spoken to Mr. MacKenzie and need to make adjustments to their timetable, the deadline for those conversations to happen will be **Friday, September 13th**. Students who may be considering switching between -1 and -2 courses have until the end of the month to make that decision, and must have parent permission to change their course.

A reminder to parents that all schools in Battle River School Division have moved to reporting student progress and marks completely online. All parents should have access to PowerSchool. If you don't already have access, follow this link to [our school website that will help you](#). Please take some time to read the attached letter from BRSD about the switch to Real-Time Reporting.

Sports

Our Volleyball season is getting underway this weekend, with our Senior Girls team playing in the Augustana Viking tournament in Camrose this weekend. We have several Senior Boys Volleyball players who have joined with the Cornerstone Christian Academy team for this year, as we didn't have enough students to field a team, that is also participating this weekend. Go TIGERS!

TIGER NEWS

The Abridged Version

Junior Volleyball has started practices so parents should be ensuring they are asking their children when their practices are - we hope to have these up on the website soon.

Also, Cross-Country will be starting next Monday and Wednesday. Practices for students in Grades 4-6 who are interested will go from 3:15 to 4:00 and Junior and Senior practices will start at 3:45 and go until approximately 4:45.

There is no permission form required for elementary students to practice. The permission form for Junior and Senior High practice is online now and must be completed for students to participate.

The permission form for the races will be up soon. Please take some time to have a look at the information package that was sent home.

We will be sending out more information about upcoming events next week.

Have a great weekend everyone!

Mr. MacKenzie
